2	Emma Belter	ebelter@purdue.edu
3	Gabe Doria	gdoria@purdue.edu
4	Avery McGinley	amcginl@purdue.edu
5	Madison Newman	newman89@purdue.edu

Project Title
National Crisis of Opioids

Executive Summary
Write a paragraph that provides the following details: **Who** the audience is, **What** the problem is the team is addressing, **Why** is it important to address the problem and what **Insights** does the team anticipate providing with their solution. **Where** might the team's proposed solution be most impactful?

Our audience is the public. The problem we are addressing is the opioid crisis and how it can be prevented. This is important to address because many people are dying and the insight we want to provide is educating people so they can explore resources avoid this crisis. The most impactful would be in middle school, as well as highschool.

Project Background
In this section describe what has been done before to address the problem.

Remember to cite your work!

The Dare organization gave many presentations to middle schoolers, as well as highschoolers. The educated that age group since around those ages, many kids are exposed to drugs.

Voices Rise Up is an organization that provides services and programs to help people who are addicted. They provide education as well to the public.

Proposed Team Solution
Describe what the team proposes to do to address the problem. In the space below, **list what each team member will contribute** to reaching the team's goal.

CGT 270 Group Project Proposal

Claire O'Malley-parsing BSRR Provisional drug overdose death count excel spreadsheet, BSRR Provisional drug overdose death count excel spreadsheet visualization, filter & mine

Emma Belter- Creating Website, parsing NCHS dataries #428, filter & mine

Gabe Doria- parsing nonfatal overdose spreadsheet, nonfatal overdose spreadsheet visualization, filter & mine

Avery McGinley- Creating Website, parsing nonfatal overdose spreadsheet, filter & mine

Madison Newman-parsing BSRR Provisional drug overdose death count excel spreadsheet, NCHS dataries #428 visualization , filter & mine

Success Criteria

Provide one or more **SMART** goals for the project.

S	Specific	• Who is the intended audience? • What do you want to achieve? • When do I need to achieve this? • Why is the goal important?
M	Measurable	• How will you measure my progress? • How will I know if my goal is achieved?
A	Achievable	• Will it be clear when the goal is complete? • Is it reasonable to complete the goal in the time allotted?
R	Relevant	• Is this goal related to the team's overall success
T	Time-Bound	• How long should it take to accomplish this goal? • When will I check in on whether or not the goal has been completed? • Am I ready to start work on the goal?

Sample Smart Goal Statement

(S) The team is studying __The Opioid Crisis_____, because we want to find out __the impact of opioid use on the public_____, to help our audience (describe the audience) (do what) ____educate themselves on this issue_____.

(M) The team will measure its progress using three (3) metrics. List them below:

1. Visualizations completed by Nov. 11.

2. Drafts peer reviewed by Nov. 18.

3. Final product completed by Dec. 2.

Meeting the metrics above will enable the group to measure its progress.

(A) We will know the goal is complete when (what metric(s) are achieved) ___We achieve the third metric_____.

(T) The team will report on whether or not the team's goal is on track to being accomplished with weekly Team Leader Reports.
